California Department of Education School Accountability Report Card Reported Using Data from the 2016-17 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About Our School

Laguna School is located in the beautiful ranch lands of western Petaluma. Built in 1906, Laguna School maintains the historic flavor of a one-room schoolhouse yet today offers a unique school experience in two refurbished multi-aged classrooms which serve students kindergarten through sixth grade.

The Laguna Joint School District is dedicated to providing a comprehensive education, encouraging all students to develop to their fullest potential so they may lead meaningful lives and become productive citizens of a diverse society.

School Description and Mission Statement (School Year 2017-18)

Laguna School appears to be a school right out of the history books; built in 1906 amongst the ranches of Chileno Valley west of Petaluma. We provide our students with a well-balanced program, rich in technology, academic rigor, hands on science labs, art and music. iPads, as well as a computer lab equipped with 7 iMacs and access to 3 Chromebooks. Technology is integrated throughout the curriculum. We continue to balance high quality education with nurturing the whole child. It is truly a unique educational experience.

School Facility Conditions and Planned Improvements

Laguna School was built in 1906 as a one-room schoolhouse. In the 1980's additional space was added, creating a spacious building which houses two multi-age classrooms. Each classroom has a grade appropriate library collection. A computer center with 10 computers and two printers is located in the upper grade classroom. The playground has a blacktop area for games, a sand area with playground equipment, bars, swings, a climbing structure and slide, and a small field for sports and activities. Three storage structures are located adjacent the play area. Laguna school has a completely fenced yard with gate access. Students are under constant supervision by a staff member at all times, in the classroom and on the school grounds.

Regular custodial and landscaping services are employed. The schoolhouse is inspected annually to ensure safety by the Keenan & Associates Insurance Co. As mentioned, through the development of the Laguna LCAP, goals have been consistently identified to address facilities and maintenance concerns or needs that would impact student/staff safety.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven (School Year 2016-17)

Results of CAASPP testing will not yield performance data for the purposes of the report due to the lower number of students participating at each grade level.

Subject	Percentage of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts / Literacy (grades 3-8 and 11)					48%	48%
Mathematics (grades 3-8 and 11)					36%	37%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

California Physical Fitness Test Results (School Year 2016-17)

Laguna School has not consistently had a large enough student population in grade 5 to provide relevant data without compromise to student confidentiality.

Grade Level	Percentage of Students Meeting Fitness Standards		
	Four of Six Fitness Standards	Five of Six Fitness Standards	Six of Six Fitness Standards

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

Opportunities for Parental Involvement (School Year 2017-18)

Laguna School stresses the philosophy of "Parents as Partners." We encourage and provide many opportunities for parents to become involved in their child's school. The Laguna Parent Club meets monthly with the school staff to discuss and plan school activities, events and curriculum. Parents are welcome to volunteer in the classroom assisting with art, physical education, computers and school-wide projects. Parents also chaperone on field trips.

Laguna School has maintained a parent engagement goal in their 2017-2020 LCAP specific to maintaining and increasing parent participation in school programs. This goal includes enhancing regular home-to-school communication, utilizing the Parent Club to actively assist in enlisting more parents/families to contribute to the school community.

Parents are encouraged to contact principal Cynthia Demchuk with any questions about how they may participate in their child's education and school activities.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

School Safety Plan (School Year 2017-18)

Laguna School employs a Comprehensive School Safety Plan which includes: Disaster procedures, child abuse reporting procedures, rules on student discipline, a sexual harassment policy, procedures for safe ingress and egress of pupils, policies regarding actions leading to suspension and expulsion and notification to teachers of dangerous pupils. Laguna School provides a safe environment for its students and staff. Monthly disaster drills are practiced. Disaster supplies are kept on the school grounds, which includes student "comfort bags" from home, blankets, water, flashlights, food and first aid supplies. The Marin County Fire Department closely monitors their local rural schools in emergency situations.

Professional Development

The teaching staff at Laguna have participated in a wide range of professional development opportunities. The focus of our professional development has been on the implementation the Common Core State Standards and adoption of new curriculum materials. Additionally, staff has focused on the implementation of intervention strategies for all types of learning styles.
